

Minutes of the Killingworth Board of Assessment Appeals meeting held on March 30, 2012

The hearing was called to order by Chairman Richard Albrecht at 1:10 pm. In attendance were board members Richard Albrecht, Collis Beck and Sheila Ahearn and David Stannard from Equality Valuation Services.

We were informed that the original houses built on Fawn Hill Road when it was only a cul-de-sac were given a new neighborhood and this will take care of those appeals concerning land values.

The purpose of this meeting was to go over the valuation process for the commercial properties and how the pricing was done for the boarding stables. Also to review tentative changes we had the assessor's office make for appeals heard earlier. No decisions were made at this meeting.

The meeting was adjourned at 3:30 pm.

Respectfully submitted.
