New Business:

Dan Colonia explained in detail the issues of going forward with the baseball field at the Killingworth Recreation Park because of surface water problems along Parker Hill Road.

The Park and Recreation Commissions long range plan was discussed in detail. PRC plans to first conduct a survey to better assess their needs before revising their long range plan.

The possibility of a trail to link Killingworth Elementary School with Sheldon Field was discussed. The present trail from Route 81 to 274 Roast Meet Hill Road was walked by MPUC member James Churchill. More on sight inspection will be conducted, and more discussion will follow.

Old Business:

The MLUC now has three vacancies

Town Green multi-use path, (bicycle trail and pedestrian walk-way) in stone dust
A Scope Confirmation Meeting was held with ConnDOT, next step, will be a public
involvement meeting, no new information

Meeting adjourned at 8:20PM.

Richard Pleines, Chairman MLUC
