First Selectman Report

EOC drill last weekend was useful, but left many questions. Drill simulated a category 3 storm, with evacuation of Jensens and a number of folks from the Clinton area to the HK Middle School as the designated storm evacuation shelter. The town is looking at contacting all the registered nurses living in Killingworth for availability during mass evacuations in addition to increasing CERT team members. Numerous issues still lacking definition and resolve- when Red Cross would arrive, AT&T emergency service, CLP status, food for shelter in addition to food for those remaining at home, housing of family pets and sheltered strays and communication to town citizens, services, and Red Cross.

State sent an alert that Killingworth has been identified to have mosquitoes testing positive for West Nile. First Selectman will send a press release for town re this and a link to state website.

Health Director Report

The Health Director was unable to attend but had forward reports for July and August in addition to worksheet notes for PHA member review and information.

MOTION- Ernest Pizzuto moved and Barbara Klein seconded a motion to adjourn. Voting in favor: Natalie Ortoli Drew, Brian Fitzsimmons, and Martha Hogan Opposed: 0; Abstentions: 0. The motion carried, meeting adjourned at 8:15pm

Next meeting will be September meeting

Respectfully submitted,

Natalie Ortoli Drew, Chair and acting Secretary
