  - LCVCOG. – Stephanie Warren reporting:  
the LCRV Regional Planning Commission group is currently working on defining some goal areas for a ten-year Long Range Vision Plan for the LCV. This plan will focus on areas including job growth; environmental conservation. and energy issues.
  - KCC Education Projects : Warren reported that there are two winners this year for the second annual Bad Beatles exhibit and contest ran through July 31. Two winners identified , This exhibit was on display at the Killingworth Public Library.
  - Historical Society –no report
  - KLCT- Marilyn Campbell : the Welter property purchase will allow for more trail expansion .and will connect through to the nature center.  
The fund raising campaign is underway.
  - Historical Society – Lew Scranton is now on the Color Selection Committee for the interior painting of the Parmelee farm house and the chosen colors will be painted in, as construction is completed in each room.

- KES Trail update – Garrett Murphy and others will be working on the trail for their Eagle Scout Project once it is approved by the Scouts regional project approval committee.
- Tree replacement for the KES Reading Stones area: a flowering cherry tree will be planted to replace the dead tree.
- GIS program can be installed on a PC by going to the Killingworth assessor site which will direct one to install Silverlight., the GIS software program.

## 9. New Business

- Invasive Plants information :

Discussion of the Mile-A-Minute plant spreading throughout Connecticut. S.Warren suggested an informational display could be placed in the Killingworth Library. The commission members are in agreement with this idea.

Japanese Knotweed information can be obtained through the CT Plant Working Group , tel. no. 860-961-4439

- KCC annual Report for the year is due in November.

10. Adjournment: 9: 05pm

Respectfully Submitted by S. Warren, KCC Secretary

**Next KCC Meeting: October 10th, 2013-7:30 pm, Killingworth Town Hall**
