

Historical Review Committee
MINUTES
Preliminary demolition permit application

The Historical Review Committee performed a site inspection of the Regolo/Annino property, 294 Route 148, on September 16, 2013.

The Committee conducted a thorough inspection of the interior and exterior of the building and determined the structure not to be historically significant.

The Building Official may proceed with the issuance of a demolition permit.

The Committee,
Lew Scranton
Les Riblet
Robert Broach
