Killingworth, CT 06419

MINUTES  
September 11, 2013

**Members Present:** Chair Natalie Ortolini Drew, First Selectwoman Catherine Iino, Laurie Kumnick, Ernest Pizzuto RS., Martha Hogan and Health Director Maura Esposito RS., MPH

Others Present: Tim Kahre, Trish Hatin, Betty Dennis, Daniel Ott

Chair Natalie Ortolini Drew called the meeting to order at 7:11. She noted that there was no July or August meetings. A quorum was determined.

**Guest Speaker:** Mr. Tim Kahre of the Killingworth Ambulance Association (KAA) presented information on how the town could be certified as a "HEARTSafe Community". The HEARTSafe Communities program is designed to promote survival from sudden out-of-hospital cardiac arrests. The program's guidelines are population based and the requirements include a designated number of AED (automated external defibrillator) to be located where people congregate in town and a specific number of individuals to be trained in CPR (cardiopulmonary resuscitation) in our community. The KAA has asked for our support and the PHA agreed to support this public health initiative.

**First Selectwoman Update:**

- The Natural Hazards Mitigation Plan Draft has been completed and is available for public comment. The plan is available on [www.townofkillingworth.com](http://www.townofkillingworth.com) web site, at the library and in the town clerk's office. An online survey located on the town web site (see above) is available for residents to comment on the plan.
- A list had been compiled of residents 75 years and older. This list will be used during emergency situations to contact these residents to insure their wellbeing.
- The Killingworth Woman's Organization (KWO) has adopted a mission to address domestic violence in Killingworth. October is national domestic violence month and the organization is planning events in Killingworth that include collecting items needed by shelters that house these individuals and displaying purple ribbons around town.
