

TOWN OF KILLINGWORTH

MINUTES

SPECIAL MEETING OF THE BOARD OF SELECTMEN

Tuesday, May 6, 2014 at 6:30 p.m.

Town Office Building

In attendance: First Selectwoman Catherine Iino, Selectman Fred Dudek, David Gross, Jim Lally

The meeting was called to order at 6:30 p.m.

David Gross presented several scenarios for creating a new Emergency Operations Center and meeting/training space, through rehabilitation or replacement of the barn to the north of the Town Hall. Estimates for almost all of these scenarios total less than \$600,000.

Dudek noted that the barn would provide almost 1,000 square feet of space.

Iino reported that at the 2014 CT Emergency Management Symposium earlier in the day, there was much discussion of the need for a unified command center under the state's emergency management protocols.

Motion to adjourn by F. Dudek at 7:10 p.m. Motion carried.

Respectfully submitted,

Catherine Iino
