Tim Gannon called the meeting to order at 1:10 p.m.

Tim stated that he had done some research into the cost of purchasing a new flag pole for the property. The cost would be \$325 for the pole. He and Ed Gorman would do the installation. Tim had marked a place on the lawn where it might go. There was discussion that the old flag pole that was removed from town hall would require sanding, refinishing and ongoing maintenance. There was further discussion as to where to locate the new pole.

Peg Scofield moved to approve the amount of up to \$500 for the purchase and installation of a new flag pole to be located northwest of the house where the cone is located, seconded by Terry Doyle. Passed.

Tim then said that after having several large events at the Farm it is clear that for purposes of safety and coordination, that the parking attendants need to have walkie-talkies. Tim had done some research and found a set of 6 for \$103. There are also microphones which can be purchased to go with them. There was discussion.

Terry Doyle moved to approve up to \$150 to purchase walkie-talkies for use by the car parkers for large events, seconded by Karen Milano. Unanimously passed.

Meeting adjourned at 1:30 p.m.

Respectfully submitted,

Christine Cronin
