**AMENDED

**(By Clerk for Clarity)**  
Regular Monthly Meeting  
October 11, 2016

Chair Nancy Gorski called the October 11, 2016 Regular Monthly Meeting of the Board of Finance of the Town of Killingworth to order at 7:03 P.M. in the Front Meeting Room of the Town Office Building, 323 Route 81, Killingworth, Connecticut. Members present: Chair Nancy Gorski, Vice Chair Gwenne Celmer (arrived at 8:09 P.M.), Secretary Carolyn Anderson, Marcel Couture, Shawn O'Connell and Robert Rimmer.

**Public Comment:** no member of the public was present.

**Visitors:**

- **Walter Adametz, Road Foreman**
  - Status: Capital Budget
  - Status: Operating Budget: FY16/17

Adametz discussed the status of the following:

- **Capital Projects:**
  - **Truck Replacements.** Several trucks are being replaced. One will be purchased used from another town and the other will be purchased new from a local dealer.
  - **Road Projects.** Road projects carried over from FY15/16 have been completed. The Dogwood Knoll project originally slated to be done by the Town crew had to go to an outside contractor. Because of this and because the work had to be sent to an engineer, this project will be over-budget. County Road will be done in Spring 2017. All other road projects for FY16/17 should be completed by the end of December and are expected to be at or under budget. Adametz noted that the asphalt prices are coming in lower than projected.
- **Operating Budget.** Adametz now has a full crew with the recently hired employee to fill the position left vacant with the retirement of a crew member. The focus in FY 16/17 has been on tree trimming of road canopies

BOF members discussed their concern for the over-time budget that is already over-expended as of September 2016 with nine months remaining in the fiscal year.

Adametz will be scheduled for a future meeting (probably early in 2017) to update the BOF on the status of the operating and capital budgets.
