Cathie Jefferson, ZEO, reported on the following -

Cease & Desist Order was issued to Susan Jameson regarding the setback violation for installation of solar panels. They either need to obtain a variance or move the panels.

Truck body on Emmanuel Church Road has been removed.

Lobster Boat has been removed.

7. New Business

(a) Endorsement of IWWC members

Chairman Lentz noted the Commission talked about this back in early March that Planning & Zoning endorses two members to the Inland Wetlands Commission. Apparently no one was appointed and the Selectmen have now appointed two people. David Adametz needs to be endorsed by P&Z. Eric Auer who is already a member of IWWC is the 2nd member endorsed by P&Z. **Motion by Stephanie Warren, second by Tom Hogarty to endorse David Adametz to the Inland Wetlands & Watercourses Commission. PASSED UNANIMOUSLY.**

(b) Commission Training – see Visitors above.

8. Report of Officers and Subcommittees

Chairman Lentz noted he and Cathie Jefferson spent 4 hours with Attorney Branse last Friday reviewing the Zoning Regulations. Attorney Branse pointed out areas where changes should be made. Chairman Lentz noted most changes are relatively minor. They just need fine tuning. C. Jefferson noted a lot had to do with definitions. Lentz noted another meeting has been scheduled with Attorney Branse to complete the review. There was a brief discussion about getting away from General Code. Chairman Lentz noted the Commission should deal with the changes first and then work on the renumbering issue.

9. Adjournment

There being no further business, the meeting adjourned at 8:45 PM.

Respectfully submitted,

Judith R. Brown, Recording Secretary
