2. Attendance: Susan Dean, Marilyn Campbell, Joan Gay, Brandy Richards, Lew Scranton, Stephanie Warren  
  
Absent: Jim Fullmer,
3. Minutes of July 13, 2017 Approved
4. • Communications and Correspondence:
  - Organization Information: CACAWC membership paid; nothing has been received yet regarding the Rockfall Foundation membership for the year.
  - Legislative/Conservation news: Legislative bills passed, or not passed were reviewed by Dean. None have a direct impact on Killingworth
5. Reports of Officers, Committees, and Organizations
  - Parmelee Farm-Susan Dean noted that the next 2017 Farmers market will be on August 12th
  - Historical Society: Scranton reported: the house will be open to the public on Wednesdays through October.
  - LCRVRPC - Warren reported : the Pop-Up survey will take place at the Parmelee market on August 12. Warren will help with the display and survey.
  - KCC Education Projects-Stephanie Warren noted that the next KCC Library exhibit will be on the value to the environment of “ Birds, Bats and Bees” The display will run through mid- September .
  - KLCT- Campbell noted that the group may have a booth at the town picnic on September 2

- 9 *Town Transit* : Joan Gay reporting: funds for the new bus line are still being withheld.

## 6. Old Business

.KES Trail Kiosk: Dean reporting: The kiosk is complete. Dean will contact Scott Chassey as to when Doug Brown will receive his Eagle Scout badge so that the KCC can coordinate with that for presenting Doug with an appreciation certificate.

. Notable trees project: Richards noted that there are three submissions to date.

.KES Recycle program: Richards indicated that she has discussed the idea of a celebration of the first year of KES recycling and the identification of the school as a "Green School."

. Joint meeting with KLCT and Ted Kennedy. Dean reported on efforts to set up a joint meeting with the KCC and the KLCT in the fall season. The date remains to be set.

.Possible 350<sup>th</sup> anniversary activities:

For the Town Picnic on September 2<sup>nd</sup> the Lions club will provide a large table for the KCC exhibits. Exhibits will include: a booklet that will highlight KCC projects; information on the Gypsy Moth problem; information on recycling; display of Dangerous Discards; Notable trees project information. There will also be an easel set-up for people to write ideas for gypsy moth control.

Hand-outs on the various projects will be available for the public.

## 7. New Business

None identified.

---

Meeting Adjourned 8:53 pm.

Respectfully Submitted by

Stephanie Warren, Secretary

Next meeting will be on September 7, 2017
