By Gotomeeting

In attendance: Catherine Iino, Eileen Blewett, Louis Annino, Jr.

Iino called the meeting to order at 12:00 noon.

Iino moved, Blewett seconded approval of the following Memorandum of Understanding with Killingworth Historical Society. The motion was approved unanimously.

The Board of Selectmen unanimously approves the proposal by the Parmelee Farm Committee, in association with the Killingworth Historical Society, to proceed with planning for the addition of a new barn to Parmelee Farm for the exclusive use of the Historical Society to store items from its collections and hold special events. These purposes support the stated mission of the farm to "connect our community to the . . . cultural heritage of Killingworth through education, . . . preservation, . . . and the arts."

The Killingworth Historical Society will present its plan for the barn, including the exact location and the design of the structure, for approval by the Parmelee Farm Committee and the Board of Selectmen. Once the plan is approved, the terms of the town's agreement with the Historical Society allowing construction and exclusive use of the barn will be recorded on the land records.

The meeting adjourned at 12:05 pm.

Respectfully submitted,

Catherine Iino  
First Selectwoman
